2021 Activity Survey

Year 11 Leavers from Warblington School

Contents

Introduction

This booklet has been compiled by the Youth Analysis Service (YAS) for Hampshire schools and academies (referred to as establishments), and its data has been compiled from Hampshire's Client Caseload Information System (CCIS).

The booklet is based on the cohort of young people who were recorded as being academically aged Year 11 and in a Hampshire establishment on 31st July 2021, and information presented is a snapshot of that cohort as of 1st November 2021.

Topics covered are based on performance measures used by the Department for Education (DfE), and enable establishments to monitor their current performance, to plan future strategies and to identify potential issues before they arise.

Due to Raising the Participation Age (RPA) legislation 2014, young people are under a duty to participate in education or training until at least their 18th birthday, although in practice most young people continue until the end of the academic year in which they turn 18 (academic Year 13). This significant piece of education legislation has particular importance to vulnerable young people. Primary responsibility for providing independent and impartial careers guidance on participation options rests with establishments directly.

Note that information is withheld and replaced with '-' where less than 5 leavers are recorded.

Careers Advice and Guidance provided by Hampshire Futures

Careers Advice and Guidance is provided to your school by Hampshire Futures

The work delivered by the Careers Adviser(s) is negotiated within the contracted hours of delivery and has included:

* Support to the school/college to meet and work towards the duty to secure independent, impartial careers guidance by provision of individual careers interviews, drop-in sessions, group work, assemblies and presentations. Remote guidance was introduced during the previous academic year and has continued to be offered by telephone or video call, to ensure no students miss out on guidance due to not being able to attend school. Access to a wide range of careers resources continues to be available through our careers website:

Course: Hampshire Futures Careers Information Service (skillsandparticipation.co.uk)

* In collaboration with the school, identifying students at risk of becoming NEET, and prioritising advice and support at key transition times to vulnerable groups including young people in care, with SEND, not attending school, or facing barriers to their progression.

* Provision of information, advice and guidance on all aspects of progression pathways, education, training, employment, volunteering and careers and support for the school/college to maintain an up to date and comprehensive selection of information resources.

 * Support for parents/carers to understand the resources and range of options available, by attending Parents' Evenings and events and responding to individual enquiries.

 * Advice to school on developing their careers programme and planning for the full Implementation of the 8 Gatsby Benchmarks, as detailed in the Careers Statutory Guidance July 2021.

 * Working with the Hampshire Futures Employment and Skills Hub to deliver Work Experience Health and Safety checks and securing Employers to attend school careers events.

The graph below shows that there is a smaller percentage of Warblington School leavers moving to an education programme ('Sixth Form College/School', 'FE College', 'Other Ed inc. Traineeship') than the Hampshire average, but a larger percentage moving to a training situation.

The tables below show the actual numbers of young people in each RPA situation. Where fewer than five people are recorded the information is withheld and replaced with '-'.

Leavers moving to a Year 12 Other Situation

The situation category 'Other' is not broken down due to the small numbers of young people involved. The 'Other' category includes young people who are re-engaging (e.g. STEP), people taking part in unpaid personal development opportunities that support them to enter EET, pregnancies, teenage parents, those whose illness prevents them from participating, unknowns, and young people moved out of area to an unknown activity.

The tables below show the actual numbers of young people in a situation categorised as 'Other' compared to the numbers in the cohort. Where fewer than five people are recorded the information is withheld and replaced with '-'.
