Message from The Editor, Miss Barker

Our hugely successful Eco raffle and cake sale allowed the school to make a donation towards the Ukraine appeal and purchase two controllers for the eSports Club! Mr Chate was extremely pleased as this will allow more students to take part in the tournaments. Thank you everyone for your support!

This year is flying by and we find ourselves at the end of term! We hope you all have a restful Easter holiday and we look forward to welcoming you back for the summer term on Monday 25th April.

Eco Tip of the Week

Did you know the clock on your microwave uses up more energy than the time you use it to cook. This is because it is on 24/7 so unplug it when you are not using it and reduce your energy bill.
