# Weekly Newsletter

Issue 303: Friday 9th September 2022

## Message from The Editor, Miss Barker

This has not been the start to the school year we were expecting, we are pleased to welcome our new Year 7 students to the school along with our current students, however we are now in mourning. Our thoughts are with the Royal Family and the rest of the country after the sad news that Queen Elizabeth II has passed away.

## Electrical Item Collection

This month we are working with Southern Electrical Recycling to reduce the amount of electrical items going to landfill.

Please bring any small broken or unused electrical items to Reception by Friday 7th October where, Southern Electrical Recycling, a local company will collect them and ensure they do not go into landfill. All of the items will be broken down and the useful materials will be extracted and recycled. For our school collection, they are looking for small items including kettles, toasters, hand held mixers, electric toothbrushes, hairdryers, mobile phones, games consoles etc. Anything that can be carried.

For larger items, please visit their website:

<https://southernelectricalrecycling.co.uk/>

Ask your friends and family if they have any items to contribute. Together we can make a difference!

Thank you!

## Parking at Warblington School

Due to the building work taking place at the school to replace the windows and re-clad the main building, we have very limited parking for dropping off and collecting your children at the start and the end of the day. Please only park in marked bays for the safety of pedestrians and where possible park offsite or arrange for your children to use other modes of transport where possible.

We apologise for this inconvenience while this essential work takes place.

## 20mph Speed Limits in Hampshire: Have Your Say

Hampshire County Council are asking for your views on 20mph speed limits to inform their future policy. The railway crossing here and at Fairfield School does cause some drivers to try and race against the closing gates with the 30mph speed limit. Traffic is due to get considerably busier with the completion of the Southleigh Road estate and the opening of Amazon's last mile depot in New Road at the end of the year.

The questionnaire closes at midnight on Sunday 11th September
