Issue 312: Friday 18th November 2022

## Message from The Editor, Miss Barker

The Christmas Craft Fair is fast approaching! Make sure you save the date:

**Saturday 3rd December 11:00am-2:00pm**

There will be a variety of stalls, refreshments, raffle, tombola, live music and so much more. I have heard that a special someone will be taking a well earned break from the North Pole to attend the fair in his classic red suit...

## Key Dates for the Autumn Term: Week A

	Year 10 Work
Wednesday 23rd November	Experience Information Evening
	5:30pm - 6:30pm
Friday 25th November	Inset Day - School Closed to Students
Monday 28th November	Inset Day - School Closed to Students
Saturday 3rd December	Christmas Craft Fair 11:00am-2:00pm

## Year 8 Netball Success!

The Year 8 Netball team participated in their first league games of the year this week after they were postponed due to the weather. The girls first competed against Horndean Technology College who were a strong team. We were victorious with a 10-5 triumph with Amelie scoring seven and Olivia scoring three. There were also some excellent interceptions in this fixture by Naomi to prevent the oppositions attack.

Following this, the girls participated in their second fixture of the evening against Purbrook Park School and within a competitive match in difficult conditions, the girls again were successful, winning 12-7 overall. Again, Amelie and Olivia were consistent with their shooting technique with Amelie scoring five and Olivia seven on this occasion. Rachel, Ashleigh, Emily, Lily and Naomi again rotated roles to support the team both attacking and defending. Amazing work!

We are looking forward to next week!

**Year 8 Netball Team:** Emily C, Amelie G, Olivia R, Lily P, Naomi W, Ashleigh R and Rachel C

Well done Girls! **Mrs Griffin, PE**

## Bebras

Over the last two weeks, every Year 7 and Year 8 student along with a range of students from other years have been entering into the National Bebras challenge.

### About Bebras

The Bebras Computing Challenge introduces computational thinking to students.

It is organised in over 50 countries and designed to get students all over the world excited about computing.

Each participant answers questions that focus on computational and logical thinking.

It is completed online.

### Aim of the Challenge

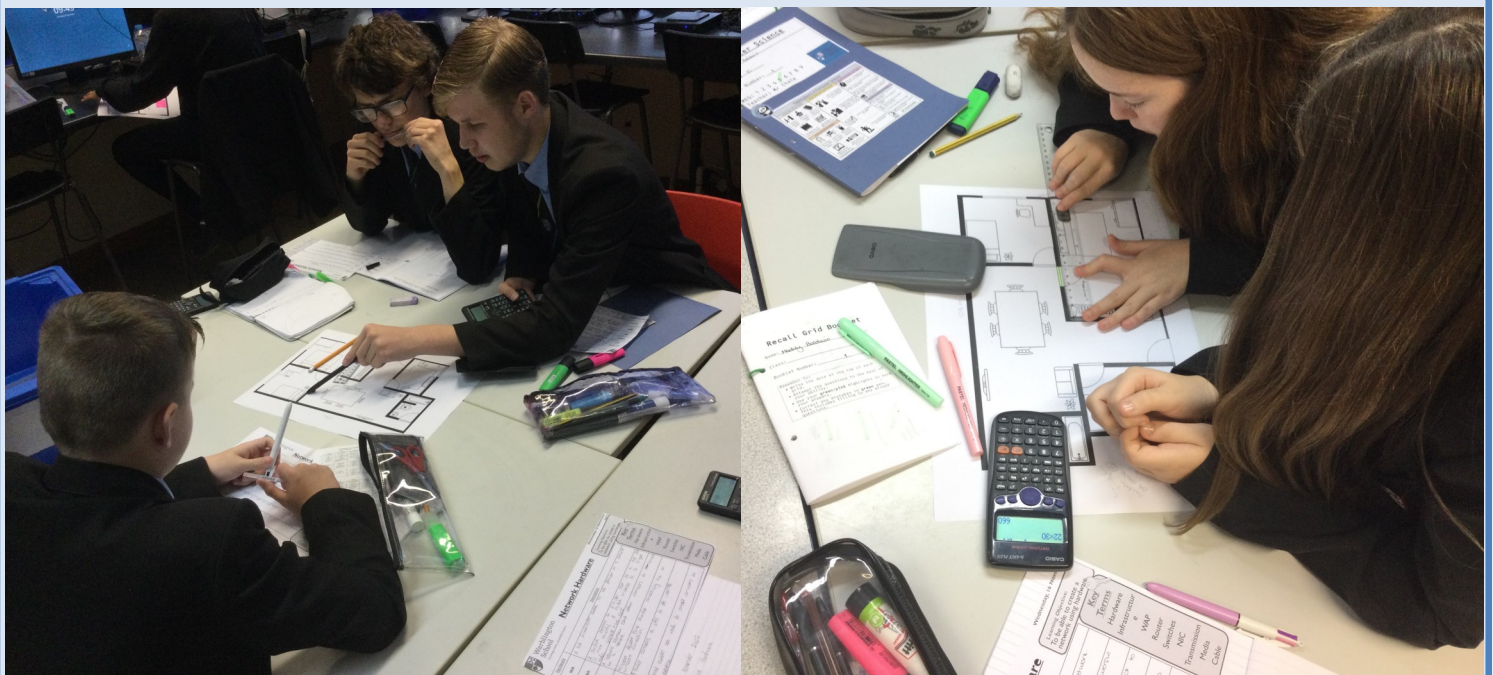

Solve as many problems as you can in 40 minutes. You are not expected to finish!

Last year students at Warblington placed well nationally and we hope do the same this year!  
Fingers crossed to everyone who took part!

**Mr Chate, Computing**

## Year 10 Computing

In Computing this week Year 10 have been looking at network design. **Mr Chate, Computing**

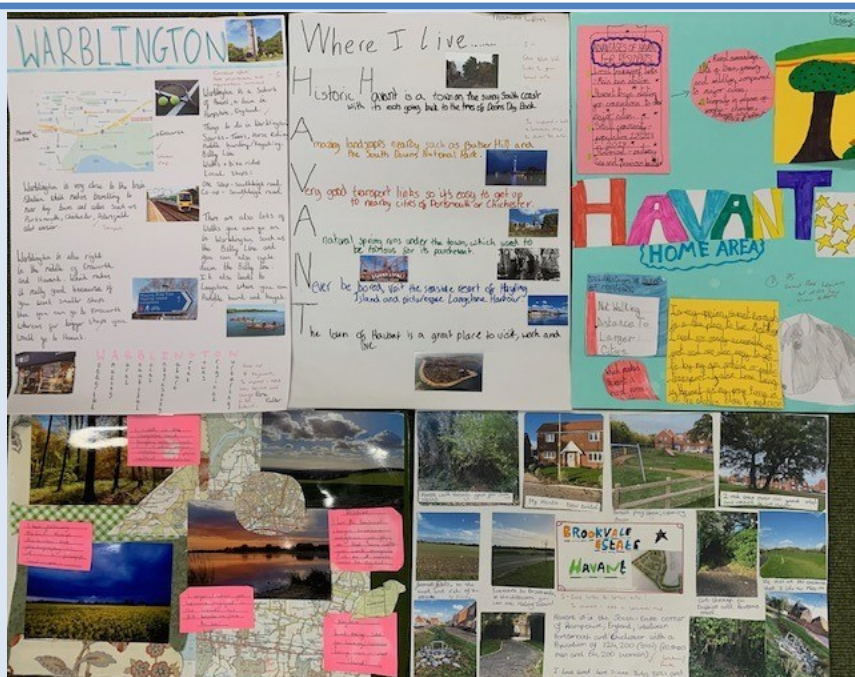

## Year 7 Geography Posters

Our Year 7 Geography students have produced 'Home Area' posters to show links to types of Geography in their local area. Students have also included personal opinions about why they like or dislike living there. Winners will be announced next week.

Well done for your efforts!

**The Geography Department**

## Year 7 Football Success!

On Thursday evening the Year 7 football team took on The Petersfield School and Havant Academy in a three way fixture. In game one Warblington took an early lead. Thomas C took an amazing shot from the edge of the box to the bottom corner following some slick passing from Lenny R, Robert S and Mason S - one touch football at its finest! Havant Academy started to take a little more control of the game but with some solid defending at the back from Jack C and Charlie B, the boys saw out the game with a 1-0 win.

Game two verses The Petersfield School started in much the same way with some slick passing and moving which again resulted in Thomas C being put through to goal and true to form he finishes in the bottom corner. 1-0 to Warblington. This was pretty much the only shot the boys managed in the first half as TPS came back all guns blazing. With the half time team talk ringing in their ears and a demand for more shots, Warblington upped their game and were peppering the TPS goalkeeper from all angles. A free kick late in the game saw TPS with their best opportunity to equalise only to be denied with a save from Ollie A that Pickford would be proud of. Again, the boys managed to see out the game with a 1-0 victory.

Player of the day has to go to Thomas C for his two goal contribution but the effort of all boys is to be admired. Only one question remains... is it coming home?

**Year 7 Football Team:** Jack T, Oliver C, Lenny R, Thomas C, Ollie A, Henry D, Jack C, Charlie B, Lachlan M, Rylee W, Sonny B, Alex M, Robert S, Mason S, Bobby C and Daniel H

**Mr Bardshaw, PE**

## Holocaust Survivor Talk

On Wednesday, the History Department arranged for a Holocaust survivor and his daughter to talk to a large group of Year 9, 10 and 11 students via video call. It started with technical issues but once sorted we met Harry Spiro and his daughter Tracy. Harry was born in Poland in 1929 to a poor family. His life changed in 1939 with the invasion of Poland by the Nazis.

Initially forced to live in a ghetto with other Jewish people from the community. He worked in a glass factory, this job saved his life. In 1942 the ghetto was liquidated and all members, aside from those who worked in the factory, were sent to Triblinka extermination camp where they were murdered. Harry lost his entire family. He lived in a small ghetto and worked in a munitions factory for a while before that too was liquidated and all inhabitants were sent to concentration camps.

Harry had his belongings, including a very sentimental letter from his mother, taken from him. His head was shaved bald and he was given a number, 116927. Hunger was the overriding feeling, he would grab any food anyway he could. At one point he was nearly shot for taking scraps from the pigs trough. As the Russians advanced he was moved further away, eventually having to take part in a death march. They had to walk and could not be left behind, those who rested too long would be shot. Of the 3,000 who started on the march only 300 survived. One of them was Harry.

Soviet soldiers liberated Theresienstadt at the end of the war. They were horrified by what they witnessed in the camps and gave the prisoners the opportunity to exact revenge on their captors. Harry said that he could not think of one example of a person taking them up on this offer, they were all just grateful to be free.

Harry came to live in Cumbria in 1945 as part of a charity mission to rehome Jewish victims of the holocaust. He trained as a tailor and in 1957 married Pauline, a woman who remained by his side. Harry had three children and now has a huge family of grandchildren and great grandchildren. At 96 years old, his main message was one of love and forgiveness.

At the end of Harry's talk the students were given the chance to ask questions. They asked thoughtful and respectful questions that showed their admiration for this brave man and his daughter. We were so proud of the students and the respect that they showed during this inspirational talk.

**Miss Pritchard and Mrs Woodford-Richens, History**

## Year 7 Netball Team

The Year 7 Netball team competed in two matches this week winning 14-1 against The Hayling College and unfortunately lost 10-12 against Crookhorn College in a very close game.

Well done girls!

**Year 7 Netball Team:** Megan E, Esme F, Jazmine A, Jasmine B, Bonnie H, Maisie M, Savannah S, Darcy F, Skye E, Ella B, Emelia F and Maisie C

Bring on the next matches!

**Miss Thomas, PE**

## Christmas Craft Fair

The Christmas Craft Fair on Saturday 3rd December 11:00am-2:00pm and we need your help! Students will be holding a bottle tombola and we are looking for donations of any bottles. They need to be in date and unopened and either in a plastic or glass bottle. So if you have any shampoo, handwash, fizzy pop, alcohol, chilli sauce bottles etc. that you would like to donate, please bring them to Reception.

We look forward to welcoming you to our first Christmas Craft Fair!

Tables still available to purchase. See page 9 for more information.

## KS4 Maths Star of the Week

**Bobbie-Leigh B Year 10**

Fantastic attitude to learning during lessons. Bobbie always ensures that she has completed all her work to an excellent standard and contributes well to class discussions. Well done!

**Mrs Durrant-Francis, Head of KS4 Maths**

## Computing Weekly Shout Out!

The Computing Department would like to give a massive shout out to following students:

**Year 7:** Maicey C **Year 8:** Taidgh D **Year 9:** Lauren H  
**Year 10:** Ajay B **Year 11:** Taylor D

Well done and keep up the hard work and effort in Computing!

**Mr Chate, Computing**

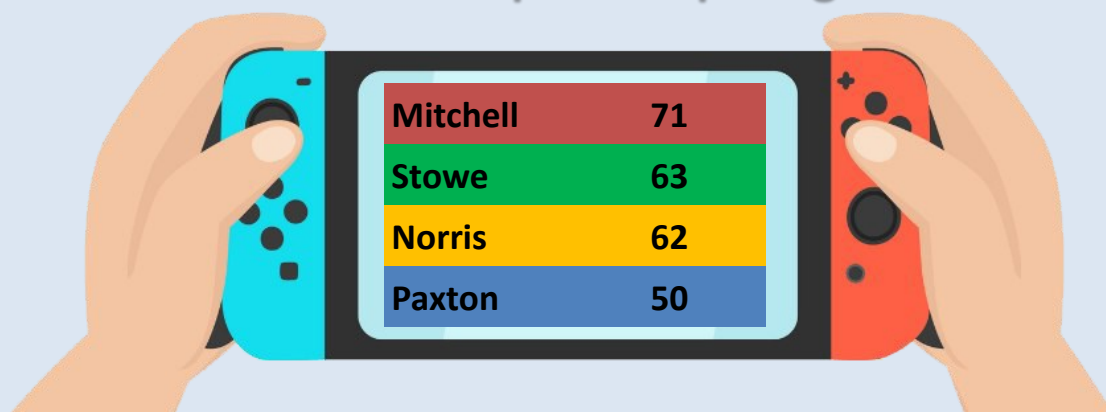

## eSports Club Weekly Round Up

Well done to everyone who attended eSports Club this week for your sportsmanship and dedication. This week's **Player of the Week** is...

**Harry S Year 11**

## eSports Cup League Table

Every week counts towards the cup!

1st = 4 points

2nd = 3 points

3rd = 2 points

4th = 1 point

**Mr Chate, Computing**

## This Weeks Top 10 Students for Pride Points

Well done to all of our students for their hard work this week!

### Year 7

Skye E  
Lily H  
Felicity Y  
Savannah S  
Archie C  
Maisie C  
Henry P  
Thomas C  
Dylan B-J  
Leighton L

### Year 8

Emily S  
Teddy W  
Charlie B  
Leo M  
Charlie S  
Amelie G  
Olivia R  
Seren W  
Maxwell S  
Phoebe H

### Year 9

Mason L  
Samuel P  
Kali T  
Chloe B  
Maxwell S  
Libby K  
Thomas P  
Oscar D  
Oliver S  
Lola-Rose Y

### Year 10

Owen S  
Milli R  
Charlie C  
Joey G  
Tyler H  
Hudson S  
Bobbie-Leigh B  
Summer N  
Weaam A  
Megan H

### Year 11

Elliott J  
Ethan S  
Emerald C  
Jamie S  
Ned D  
Mahira A  
Matthew J  
Maximilian J  
Ashleigh L  
Harry S

### PE Star of the Week

**Alfie C Year 10** - Alfie has demonstrated a positive attitude to learning since starting the VCERT Health and Fitness qualification in September. Within practical sessions, Alfie applies maximum effort which is mirrored within theory lessons. Alfie is consistently keen to demonstrate his knowledge and understanding with positive contributions in class, whilst consolidating his learning at home through dedicating time to his homework. Well done!

### Year 10 Work Experience Information Evening

Wednesday 23rd November 5:30pm-6:30pm

All Year 10 parents/carers are invited to our Year 10 Work Experience Information Evening to discuss work experience for Year 10 next year.

This week a letter was sent home with information about the scheme and an invite for you and your child to our information evening.

I look forward to meeting you!

**Mrs Fletcher, Careers Leader**

### Milk Bottle Top Collection

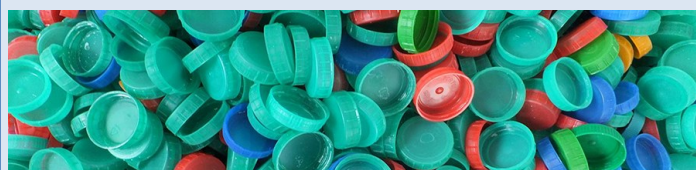

We are collecting milk bottle tops for the Solent MS Therapy Centre! Please collect and bring your bottle tops into Reception.

**Plastic milk bottle tops only.**

Thank you for your support!

Help for those living with Multiple Sclerosis

## Dr Frost Maths: Top 10 Students

Farin S Year 8
Thomas C Year 7
Alexander M Year 7
William A Year 7
Lucius E Year 8
Casey S Year 7
Miranda S Year 7
Indiana-Rae D Year 7
Tyler B Year 7
Morgan C Year 8

Well done to the following students for being this week's Top 10 Students with their Dr Frost Maths Homework!

Keep up the hard work everyone!

**Mrs Shaw**  
**Head of Maths**

## Link Up Apprenticeship Event

**29 November, 1pm - 5pm, Leigh Park Library**

We invite you to join us for our first in-person Apprenticeship Event, supporting Year 10-13 students across Havant Borough to learn more about apprenticeships, careers support and training opportunities.

The event is free to attend and designed to think about options after school/college. As a targeted careers event, there will be a range of employers, training providers and careers support available to answer questions.
