Issue 314: Friday 2nd December 2022

Message from The Editor, Miss Barker

Our first Christmas Craft Fair is tomorrow and we are looking forward to welcoming our school community to the fair. We have a wide variety of stalls selling homemade items as well as a fantastic raffle with many big ticket items.

The fair will be open from 11:00am-2:00pm with plenty of parking around the back of the school on the tennis courts. Please follow the signs to technology which has been transformed into a Christmas wonderland. Santa himself will be arriving in the afternoon for photos and to draw the raffle. See you tomorrow!

EFL Football Competition

The KS3 girls football team opened their season in November at an EFL Competition hosted by Pompey in the Community at Goals in Portsmouth. This year the girls were able to compete in many more fixtures than in recent years against a number of local schools who included Fareham Academy, Bay House, Cowplain, Bourne, Brune Park, Thornden and Milton Cross.

The girls scored 13 goals throughout the morning with Amelie, Mailey, Emilia and Savannah scoring the goals. There was also some excellent defensive displays from Ella and Isabelle with Seren making important saves. The girls won 3, drew 1 and lost 3 and displayed fantastic effort throughout the day. Well done!

KS3 Football Team:

Isabel A, Mailey O, Emilia F, Savannah S,
Amelie G, Ella B, Seren W.

Royal Navy STEM

The Royal Navy STEM team have come into school on three days recently to run workshops with our Year 7 students giving them an opportunity to take part in different STEM activities.

On Thursday they took part in their last activity. The purpose of the day was to introduce students to robotics, electronics and hydraulics. Students took part in activities over two lessons which sparked interest in Science, Technology, Engineering and Maths. Every student thoroughly enjoyed this experience.

‘Today I did robotics and mechanical components. My favourite was robotics because it was AMAZING!’

‘I enjoyed using the circuit boards to propel a disk into the air, it was really fun and interesting.’

‘I enjoyed programming the robots to move and make sounds etc.’

Christmas Dinner 2022

Thank you to the parents and carers who have signed their child up for a Christmas dinner on Thursday 15th December. The meal will cost £3.50 (including dessert and a drink) so please make sure their lunch account is topped up ready for this day. For students entitled to Free School Meals, their daily allowance will cover the meal.

Please be aware that on this day there will be no breakfast or break time provision available. Christmas dinner will be the only food option served at lunchtime and to students who have pre-ordered. Drinks will be available for purchase from 8:00am-8:35am, but this is the only time they will be available. This is to ensure we can cater for the Christmas dinner. Thank you.

Year 7 Boys Football Team Success

The Year 7 boys football team were victorious against Park Community School this week, winning 6-1 with goals from Daniel, Thomas, Lenny and Mason. Hat-trick hero Daniel performed excellently under pressure showing off his skills. The team worked well together like in previous matches and combined with limited touches, created many scoring opportunities. Alex made some vital saves to limit the oppositions threat and some brave headers were competed for by Lachlan. Well done boys!

Year 7 Football Team: Mason S, Robert S, Lachlan M, Rylee W, Lenny R, Alex M, Charlie B, Thomas C, Jack C and Daniel H.

Class of 2022 GCSE Exam Certificates

Class of 2022 GCSE certificates are ready to collect from Reception. If your son/daughter can't collect them in person, someone can collect them on their behalf but they will need a signed letter from the student and a form of ID for themselves. These are important documents that are required throughout life so please collect them as soon as possible.
