Message from The Editor, Miss Barker

Happy New Year! We hope you all had a wonderful winter break and are ready for a new year at Warblington School.

Mrs Whiteley-Fuller kick started the year in style with a Drama trip to London to see the West End production of Matilda. This was an essential trip for Year 11 students as they need to write about a live performance they have seen in their GCSE exam in the summer. In their lessons now they will study the production they saw and analyse it.

Our Year 11 Drama students were also accompanied by a group of KS3 students and everyone thoroughly enjoyed the trip. The day started at school before we were whisked away on a coach to the heart of our capital, London. We were very lucky to have such a kind and friendly Lucketts coach driver who even gave a knowledgeable commentary pointing out key landmarks and offering interesting facts.

We arrived within good time and had the chance to explore the area around the Cambridge Theatre before being let in to take our seats. Matilda is the classic Roald Dahl story of a gifted girl with a troubled upbringing who faces many challenging people as she grows up. She realises that she has the power of telekinesis and begins to defend her friends and fight back against nasty adults and as a result re-writing her own story.

The story has been brought alive on the stage with music and colour in a clever and entertaining way. I know I was in awe with the set and the seamless transition from scene to scene. Everyone was mesmerised and glued to action, not wanting to miss a single second.

Our students did Warblington School proud especially with the positive comments we received from the public with the way they conducted themselves. Well done to everyone who attended the trip and thank you!

Year 7 Art Homework

This piece of Art homework was created by Gracie-Rose B. This is her personal response to Van Gogh's *Starry Night*.

Students were allowed to use any media to create their piece and Gracie chose wool and embellished a bag using pom poms and other stitching in a creative way.

The Art Department was amazed at this high quality piece especially with her attention to detail and the time and effort that it took to create it.

Brilliant work Gracie! Well done!
