Issue 323: Friday 24th February 2023

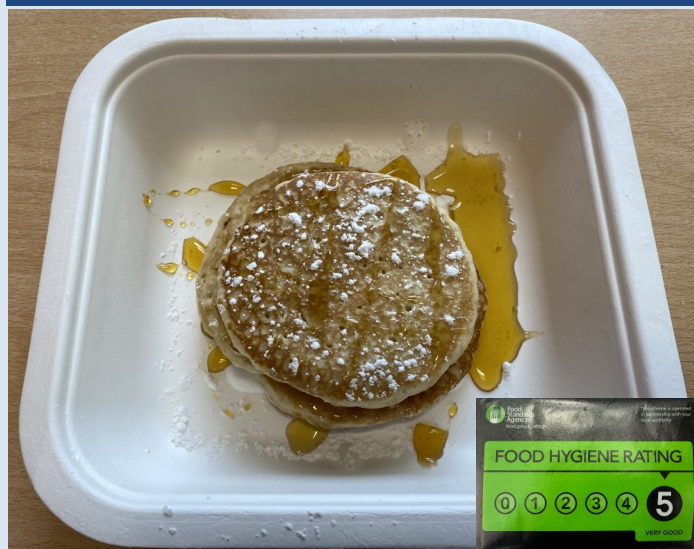

Message from The Editor, Miss Barker

Welcome back! Mr Hawkins has taken us on a world food tour this week with his school menu. We started with Italian meatballs, before heading over to America for cheese burgers, a trip east for Chinese noodles and Indian curry, and finally coming back home for fish and chips. What a week it has been food wise, especially as we also celebrated Pancake Day with pancakes being served at break time on Tuesday.

To top off a brilliant week in the kitchen, we had our inspection, and we once again passed with flying colours retaining our 5 food hygiene rating. Well done and thank you for everything you do, including your inventive menus which keep up to date with world events and offer a huge variety for our students. With lunchtime being a big part of the day, you never disappoint!

Key Dates for the Spring Term: Week B

Wednesday 1st March	Year 9 Parents Evening 4:00pm-7:15pm
Wednesday 8th March	Year 10 Parents Evening 4:00pm-7:15pm
Wednesday 22nd March	Year 8 Parents Evening 4:00pm-7:15pm
Wednesday 29th March	Year 7 Parents Evening 4:00pm-7:15pm

Royal Navy Careers Talk

On Tuesday a group of KS4 students who are interested in engineering careers took part in a talk from Lt Rachel Ormston from the Royal Navy. They were able to find out about future career paths and ask questions. A huge thank you to the Royal Navy for taking the time to talk to our students.

Mr Gellett, Careers Leader

Year 9 Football Team

It's the first week back after Half Term and the PE Department have got straight back to their sporting fixtures. We hosted a match against Horndean Technology College who have been unbeaten for 2 years! Despite this fact, our Year 9 team went into the game with a positive mindset. They are a strong team and were ready to trust each other in what would be a big game.

The boys created lots of goalscoring opportunities with the most noticeable from Freddie who hit the crossbar. Malakai scored the first goal with a fantastic driven shot from 20 yards. At half time, the score was 1-0. Everyone was super positive at this point and came up with solutions to overcome any potential threat they may face, whilst continuing to attack with force. The second goal came shortly into the second half with Archie completing a cool/calm finish, slotting the ball into the corner of the net. Despite resolute defending with brave headers from Sam and confident clearances from Levi, HTC managed to secure a successful penalty and came level for a 2-2 finish.

The four PE teachers present commended the boys on their effort and high skill level, explaining how proud they were of the team and what an enjoyable competitive match it was. Well done!

Year 9 Football Team: Levi A, Sam P, Freddie M, Malakai G-G, Adam W, Mason L, Matthew C, Archie H, Tom P and Harley H.

Mrs Griffin, PE

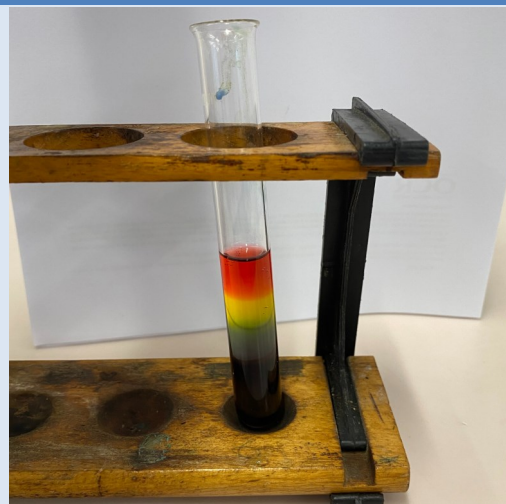

Rainbow Fizz

Yesterday my Year 7 Science class completed the 'Rainbow Fizz' PH scale experiment with some fantastic results.

With a little universal indicator, acid and sodium carbonate, the students were amazed by the effervescent reaction that causes a 'rainbow' to appear.

Here is Torres D's experiment! Well done everyone!

Mrs Raistrick, Science

Year 10 Football Team

On Wednesday evening the Year 10 football team hosted Park Community School and Cowplain School for their final fixtures of the football calendar.

Game 1: Warblington Vs Park Community School We took an early lead due to the excellent team work and effort showed by the boys early on resulting in a goal from Hudson. Captain Henry bagged an impressive second goal from quite a distance before quickly adding a third to the score. Ryan got himself on the goal list with another fine solo run before finishing with a shot to the roof of the net. Henry soon completed his hattrick and Presley secured the win with a tap in at the back post. **Final Score Warblington 6-0 Park Community!**

Game 2: Warblington Vs Cowplain School Game two proved a much closer affair with both teams on attack. Warblington again took the lead through Hudson and within minutes Jaycob added a second. After a clean sheet in game one, Andy on his debut, was made to work a little harder this time and soon the score was 2-1. Ryan again came up trumps bagging a third goal before a defensive error allowed a goal for Cowplain, 3-2. The game felt like it was tipping in Cowplain's favour and within minutes to go Cowplain should have scored an equaliser however they were denied and hit the post. Captain Henry rallied the troops and took off on a run from just outside his own box breaking into the Cowplain half. A fine through ball saw Ryan with an opportunity to finish the game off which he did in style.

Final Score Warblington School 4-2 Cowplain School.

A fantastic effort from all boys involved!

Year 10 Football Team: Andy N, Henry Y, Hudson S, Jake G, Morgan S, Tom K, Jaycob P, Ryan H, Cody F, Presley C and Zack T.

Mr Bradshaw, PE

Year 7 Basketball Team

In the final week of fixtures before Half Term, our Year 7 Basketball team competed in a round robin competition against Horndean Technology College, Oaklands School and Crookhorn College. The team first competed against HTC, drawing 2-2 with baskets from Ollie. In the second game, despite a fantastic comeback and hattricks from Alex and Ollie, Crookhorn were victorious with a final score of 12-8. In the final game of the evening Warblington beat Oaklands 8-4 with a basket from Savannah, Mason and two from Ollie.

It was a fantastic evening for the team who finished second in the competition!

Year 7 Basketball Team: Mason S, Savannah S, Ollie A, Alex M, Casey S and Shelby C.

Mrs Griffin, PE

School Anxiety and Refusal: How parents can help their child get through tough times

School phobia or school-related anxiety – sometimes called 'school refusal' – is when your child feels fearful or anxious about school and/or is unable to go to school. It's also referred to as emotionally-based school avoidance (EBSA) or anxiety-related absence.

Parents' Toolkit has teamed up with educational psychologist Dr Amanda Furness and SEN advisory teacher Sarah Barton to give you advice on how to handle 'school refusal' and where to go for help.

[Click here](#) to view the toolkit full of useful information to support you and your child.
