Issue 328: Friday 31st March 2023

Message from The Editor, Miss Barker

We have arrived at the end of another term here at Warblington School! We wish everyone a wonderful Easter break and we look forward to welcoming you back for the summer term which will hopefully bring more sunshine with it. Stay safe.

Key Dates for the Summer Term: Week A

Monday 3rd April - Friday 14th April	Easter Holidays
Monday 17th April	Start of the Summer Term
Monday 1st May	Bank Holiday
Monday 8th May	Bank Holiday

KS3 Girls Football Double Victory

This week both our Year 7 and Year 8 football teams were victorious in their matches against Park Community School!

The Year 7 team displayed some brilliant football with their 3-0 win against Park. The team is growing in confidence and working well together. Maisie and Savannah offered excellent defending in this match and Lyla created some great goal scoring opportunities. Big shout out to Mailey who scored a hattrick with some fantastic goals! A huge well done to you all!

Year 7 Team

Year 7 Team: Savannah S, Megan E, Isabel A, Emilia F, Shelby C, Morrigan P, Daisy A, Lyla D, Casey S, Maisie G and Mailey O

The Year 8 team made a strong start to their match going 1-0 up with a brilliant goal from Ruby however Park started to apply pressure and soon equalised. The team continued to battle, with Tayler and Seren making some great tackles and passes to move us back towards the goal, and Lily using some clever passes to create goal scoring opportunities. Finally in the last few moments of the match, Megan scored a great goal, finishing the match at 2-1 to Warblington, just before the final whistle was blew. Keep up the fantastic work!

Year 8 Team: Ruby H, Lily P, Tayler M, Summer H and Seren W

Miss Thomas, PE

Year 10 Geography Field Trip

This week the Geography Department took our Year 10 Geography students to Hayling Island to complete essential fieldwork ready for their exam in Year 11. Over two days, 47 students in two groups completed field work based around coastal processes and management.

The day started at Eastoke and students walked along the beach all the way to the Hayling Island Sailing Club (and back) observing coastal processes, sea defenses, sand dunes and other geographical features. At each point they would take time to do surveys and sketches ready for analysis when they get back to school. This year our students were lucky enough to see a live example of beach replenishment taking place which can be seen in the photo below.

Despite varying weather conditions over the two days, we managed to complete our work which will benefit their classwork and knowledge for their exam. Well done everyone!

Mr Strzelec and Mr Crowe, Geography

Breakfast Club Starting After Easter

Recently Tesco Extra in Havant kindly donated items to the school which has allowed us to now start our breakfast club at no cost to students.

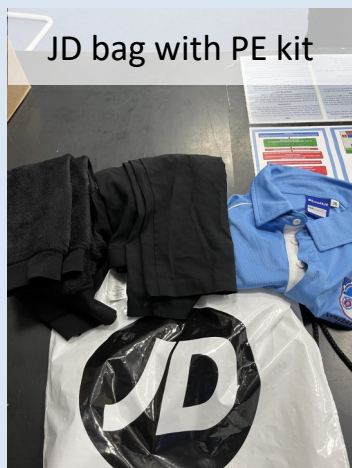

After the Easter break students can visit Health and Wellbeing between 8:00am and 8:20am to have breakfast. There is no need to sign up.

Mrs Kelly, Student Wellbeing Officer

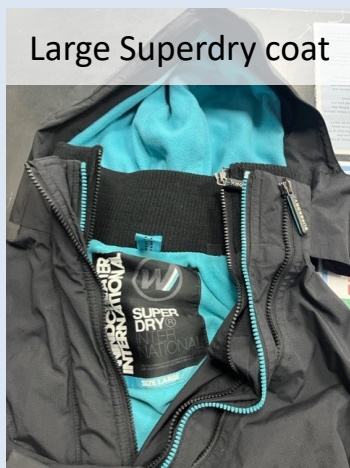

Lost Property

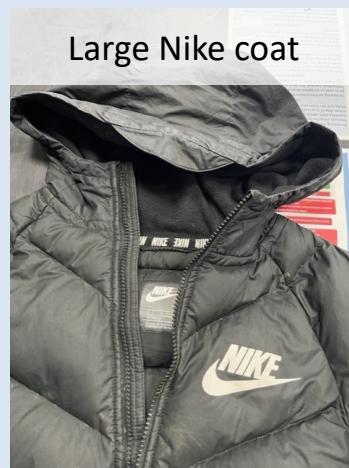

We have a large amount of lost property including the items below. If your child has lost anything this term, please ask them to check in lost property at Reception after the Easter break. Also feel free to come and have a look yourself at a convenient time during opening hours.

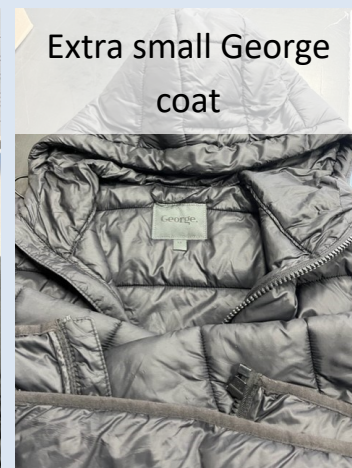

JD bag with PE kit

Large Superdry coat

Large Nike coat

Extra small George coat

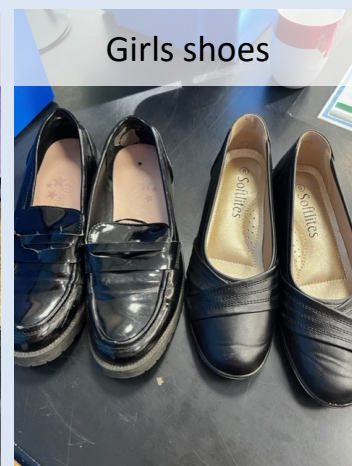

Navy Regatta coat

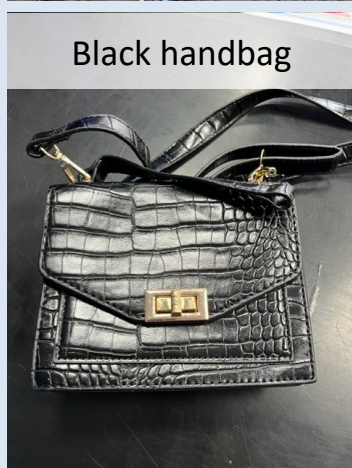

Food containers from the cake sale

Boo Hoo coat

Girls shoes

Black handbag

Other Items Include:

- Blazers
- School trousers
- PE kit
- Hoodies
- Books
- Stationery
- Water bottles

Reception is open from 8:00am to 4:00pm

Where possible we would like to reunite items with their owners however items not collected after a considerable period of time will be donated to charity and uniform to the school.

Named items are easily returned so we highly recommend naming your child's items.

Thank you for your support and we look forward to finding these lost items their owners.

Mrs O'Brien, Reception

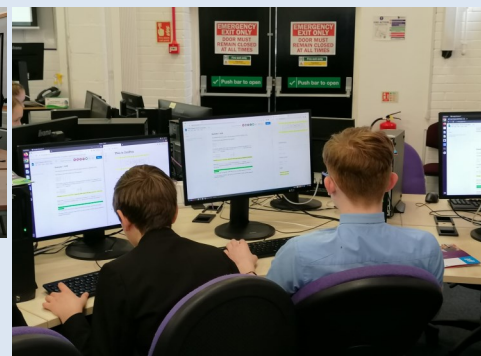

Portsmouth University Technology and Engineering Taster Day

Last week a group of Year 8 students visited Portsmouth University for a Technology and Engineering taster day. They took part in three sessions as well as finding out more about the university.

Session 1: Engineering Origami

Session 2: Light and Spectra

Session 3: Cyber Security

The students enjoyed the experience and were engaged throughout. Below are some quotes from Year 8 about their day:

'It was fun, we got to make and learn about some really cool things.'

'The Portsmouth University taster day was a very fun experience because we took part in lots of different activities and found out about the university.'

'My favourite activity was cyber security, it was very interesting!'

Mrs Fletcher, Careers Leader

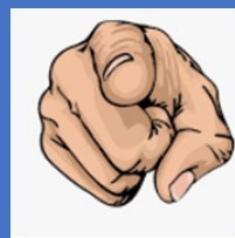

Well done everyone!
