Year 10 Childcare

This week our Year 10 Childcare students had a visit from the Manager of the Daisy Chain Nursery in Emsworth accompanied by one of her apprentices. She gave our students a talk about working with children and provided an activity for them to take part in. Our students listened carefully to what she had to say and asked insightful questions to get a better understanding of the profession whilst showing respect at all times. It was also useful to get an opinion from the apprentice's point of view as this is an excellent way into the profession, learning and working at the same time.

Visits from professionals who work with children is extremely valuable for our Childcare students as it demonstrates the large variety of careers paths available. If you or any members of your family or friends work with children ages 0-5 in a variety of settings, please contact me on m.watkins@warblingtonschool.co.uk to arrange a visit.

First week back at school after the Easter break and items have already made their way to lost property including this Adidas coat. If this is your child's coat, please ask them to collect it from Reception. We still have lots of items that were not collected last term.
