Issue 330: Friday 28th April 2023

Message from The Editor, Miss Barker

This week we received a very generous donation from Lewmar in Langstone to benefit Art and Photography within in our Creative Arts Department. This was kindly organised by Mrs Palmer's (former Technical and Creative Arts Technician) husband who works at the company. This is the start of an ongoing partnership with the school as a part of their community initiative.

On Wednesday this week Matt Johnson, Managing Director of Lewmar presented the donation to the school which included two £25 Amazon vouchers as prizes for the recent Art competition.

The competition was to produce a picture of a boat as Lewmar in a marine based company. The Art Department were extremely impressed with the high quality work that was entered and as a result six finalists were chosen.

KS3 Cricket

This week the Year 8 boys kicked off the cricket season against Meoncross School. After winning the toss, captain Roman elected to bowl and with some tight overs from Kaynin, Ollie, Cody and Josh, we restricted Meoncross to 94. In response when it was our turn to bat, an opening partnership between Kaynin and Daniel got us off to a strong start, before some excellent Meoncross fielding brought the game back. Despite contributions from all batters, we just fell short of the total. It was amazing to see some students playing their first ever game, especially Daniel and Ollie in Year 7 who stepped up to join their older peers. Well done boys!
