### Message from The Editor, Miss Barker

Well done to our Year 11 students who have now completed a full week of their GCSE exams. Keep revising and working hard. Also well done to our Year 10 students who have completed their first week of their Work Experience. We hope you have had an enjoyable week and have learnt a lot about the working world. We are looking forward to hearing all about your placements when you return to school after the half term holiday.

A huge congratulations to Charlie W Year 9 for receiving her second Hall of Fame award for Martial Arts! To be in the Hall of Fame for the second time is a massive achievement especially for her age. We are all extremely proud of her achievement! Well done Charlie!

## Outdoor Classroom Day 2023

Thursday this week was Outdoor Classroom Day which is a day to celebrate taking learning outside and we pride ourselves in doing this all year round. On this day we celebrated to the full and took over our social media accounts to show you what learning outside look like to us with a huge variety of subjects taking to the outdoors. Everyone from students to staff enjoyed being outside with some people spending most of the day in the sunshine.

It is a brilliant way to take knowledge learnt in class and apply it in a real life setting or to simply get a change of scenery from the four walls of the classroom. We were extremely pleased to once again be a part of this global event!

## Year 9 Cricket Team

The Year 9 Cricket team started off their season with a twelve over game against Crookhorn College. Captain Archie elected to bowl and brought about a wicket in his first over! He was well supported by Tom, Kieran, Sophie and Oliver and we restricted Crookhorn to 65 runs.

Our batting innings got off to a brilliant start and we were on target by the halfway point, largely thanks to some great hits and runs by Tom and Blake.

After brilliant play from the whole team, the result was very close but Crookhorn managed to win by 7 runs!

Well done team!
