#### Message from The Editor, Miss Barker

#### Tina Moore – 25 years service at Hampshire

'I hope you will all join me in congratulating Tina Moore on her 25 year service – all of which have been at Warblington School! For those of you that are not aware, Tina is one of those 'unsung heroes' in a school. Her job as data manager is one of the most essential and wide ranging roles. Her diligence and professionalism has seen her track and produce reports for over 35,000 GCSE grades in her 25 years!! She is the queen of the census day and I know is not only valued by us here at Warblington, but also the wider group of local data managers. She is never afraid of asking the 'why are we doing this' or 'what will the impact be' and providing those questions can be answered (to her satisfaction!) will produce amazing tracking documents and reports that do more than we would have asked for.

We at Warblington would like to thank you Tina for all you have done for the staff and children, and I would like to personally thank her for pulling out last minute reports for governors or county in the usual Tina calm and considered way and also for making data meaningful, manageable and dare I say it, interesting?!

Well done and thank you!'

Mr Hartnell, Headteacher

### **KS3 Cricket Team Success**

On Wednesday our KS3 Cricket Team hosted a league match against Horndean Technology College. After losing the toss, we were put in to bat and thanks to contributions from every batter, we reached an impressive 51 on a very bouncy pitch. Special mention must go to Ollie for smashing two huge sixes on his way to a score of 14. The bowling picked up where the batting

left off, with only three wides bowled all innings! Deniz and Kaynin provided great support for Roman, who produced a match winning penultimate over, sealing a well-deserved victory. Well done boys!

### Year 9 Cricket Team

The Year 9 team played the second match of their season against Meoncross School this week. After being selected to bat first, Oliver demonstrated some watchful batting to ensure that we did not lose many wickets early on. This paid dividends later, as Tom and Blake were able to increase the run rate. At the end of the innings, the team reached a respectable 51. As a result of some tight bowling, in combination with some excellent fielding by Kieran, Cailen and Oliver, we

were able to push Meoncross right to the wire, with our opposition just getting over the line with a few balls to go. The team spirit shown was superb, especially against such strong opponents. Well done!
