Message from The Editor, Miss Barker

What a week it has been with lots of events taking place across the school! Year 10 took part in a college taster day at HSDC, Year 5 Masterclasses and Open Afternoon with our brilliant Year 7 and 8 tour guides, Class of 2023 Prom and an amazing Sports Day. A huge well done and thank you to everyone who took part in these events!

11E Treasured Forever in Crochet!

Saying goodbye to my Year 11 tutor group was very difficult but thanks to Olivia C and her very talented Nan, I now have a crochet version of my entire tutor group.

Just a magical leaving gift I will treasure forever.

Ms Pritchard, 11E Tutor

Industrial Action: Wednesday 5th and Friday 7th July 2023

I am writing to confirm the arrangements for the next proposed national strike action days on Wednesday 5 July and Friday 7 July, and notification that we have rearranged our Year 6 Transition Day from Wednesday 5 July to Thursday 6 July. The changes to the Transition programme should not affect the normal working week for Warblington students, but will increase the numbers of students on site on these days. I should add we have tried to keep as many students in as we can whilst keeping the site safe.

Wednesday 5th July

Year 10 will be expected in as they have two exams on this day, Maths and English language. These have been rescheduled from Friday 30th, as invigilators are being used. This will allow normal teaching for Year 10 on Friday 30th June. Attendance is compulsory, and there will be short break in between to allow them to get some food. They will be able to leave site once the English exam is completed. This is likely to be around 1.00pm – however this may differ for those who have exam concessions.

Year 9 will all be in, following as normal a timetable as is possible.

Year 8 will be set some work on Classcharts and will be at home.

Year 7 will see half the year group in. We will be having the H half of Year 7 in, meaning if your child has the following timetable on that day, they will be expected in and will have their normal lessons on site.

Period 1	Period 2	Period 3	Period 4	Period 5	
H Half	Science	Maths	PE	History or Music	English or Spanish

Any remaining Year 7 students will be at home and will be set tasks on Classcharts on this day.

Friday 7th July

Year 10 – the planned Art exam will go ahead and therefore if your child studies Art they will be expected in. All other Year 10 will be set some revision tasks on Classcharts.

Year 9 will also be at home, with tasks set on Classcharts.

Year 8 will be expected on site and to attend their normal lessons.

Year 7 - the other half of year 7 who would normally have the following lessons and were not in on Wednesday will be expected in:

Continued overleaf...

Period 1	Period 2	Period 3	Period 4	Period 5	
G Half	Drama/English or Geography	Food/RE/ STEM/Textiles	English or French	Maths or Computing	Art/Music or Spanish

We have not taken the decision to partially close lightly. We remain committed to providing a safe and secure environment for our students and feel that we would be unable to provide this if we remained fully open with the staff we have available. We will be emailing out a voucher to the parents of students who receive Free School Meals, for those year groups who will not be in school.

I am sorry that you will have to make alternative arrangements for your child at short notice, and that they will experience disruption to their education. I understand that this situation may be frustrating, and ask that all members of our school community continue to treat each other with respect.

If you have any questions, please contact the school via admin@warblingtonschool.co.uk
