A Message from The Editor

Welcome back to all our students and staff and a huge welcome to our Year 7 students. Year 7 have settled really well into our school community.

It has been a very hot and very busy first week of term and we are really proud of how well all the students have got back into their studies after the summer break.

We are looking forward to another exciting year at Warblington School, starting with the Tutor Parents evening and our annual Open Evening.
