## A Message from The Editor

This week has been another busy one at Warblington. Year 7 students have spent time with the Royal Navy STEM team, the Year 9 Netball team have been busy playing their fixtures, Year 11 Performing Arts students have been undertaking part of their formal performance exams, there have been 2 House cake sales and some of our staff members had their minibus driver training!

Mr Hasker has added the D&D Club to the after school club calendar for any students that would like to attend.

Thank you to everyone that donated cakes for the Norris and Mitchell cake sales this week, we really do appreciate your support!

## Royal Navy STEM Team

Over the last couple of weeks, we have been lucky to have the Royal Navy STEM team in school again. All Year 7 students have had the opportunity to take part in 3 different STEM activities.

“Today I did robotics & mechanical components. My favourite was robotics because it was AMAZING!”

“I enjoyed using the circuit boards to propel a disk into the air, it was really fun & interesting”

“I enjoyed programming the robots to move & make sounds etc”

The purpose of the day was to introduce students to robotics, electronics and hydraulics.

The students took part in these activities over 2 lessons, potentially sparking new interests in these areas!

Every student seemed to really enjoyed this experience, and we have had some brilliant feedback from some parents and carers.

## Art & Photography trip to Brighton

On Thursday 28th September, we took 48 Art & Photography students to Brighton for the day to give them the opportunity to look at the varying styles of architecture and to photograph examples of structures for their GCSE coursework. In the following lesson in school the students wrote a review of the trip as part of their GCSE coursework.

### Macy's review:

'On Thursday the 28th September we all travelled east to Brighton to have a look at their wonderful seafront and structures. In Brighton there are plenty of photo opportunities, so we took full advantage of our time there, we visited the West Pier, Palace Pier, Brighton Pavilion, I360 and The Lanes. While in Brighton we were focusing on capturing photos of the structures and buildings, I really enjoyed the different looking and original structures we had a look at and I think the pictures will be great to edit. Previously in class we looked at famous photographers, Andreas Gursky, Ted Van Cleave and Sharon Elphick. Therefore I will be referencing and using their editing styles on my own photos taken in Brighton to develop my own work further.'

## Year 9 Netball

Team: Olivia R, Lily P, Eden H, Rachel C, Mia B, Naomi W, Ashleigh L and Emily C.

The Year 9 Netball Team took on Cowplain, Havant and HTC in this weeks fixtures. Warblington started strong against Cowplain with Olivia and Lily scoring a couple of goals early on in the game. This mixed with fantastic defending from Eden and Rachel prevented Cowplain from a scoring opportunity. The game finished in a win 6-3 to Warblington.

The second of the three games was against Havant with both teams being evenly matched. Great work from Naomi, Mia, Rachel and Emily, working the ball round the court and away from the Havant defence in to Olivia, saw Warblington take the win. Final score 1-0.

The final match was against a strong HTC side who scored a couple of early goals against us. However, with determination Warblington scored a couple back, with some great snatches from Ashleigh in the centre 3rd, sending it in to Olivia with some great shots. The game finished in a loss 8-4 to HTC.

The girls were fantastic and worked hard as a team to secure 2 out of 3 wins. Well done!

Miss Thomas, PE Dept

## Mitchell house Cake Sale

A huge thank you from Mitchell House to everyone that donated and bought cakes from our cake sale today. We will let you know how much we raised for SANDS charity in next weeks Newsletter.

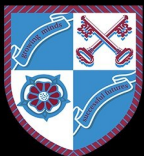

We chose this charity to coincide with Baby Loss Awareness week, we would like to share the Wave of Light with you all to join if you wish to. Wave of Light is an opportunity to join with bereaved parents, families and friends around the globe to commemorate all babies who sadly died too soon.

It takes place at 7pm on 15 October every year.

To join the global 'Wave of Light', simply light a candle at 7pm on Sunday 15th October and leave it burning for at least one hour. Wherever you do this, you will be joining a global 'Wave of Light' in memory of all the babies who lit up our lives for such a short time.

Thank you again.

## Team Warblington Focus

As we have had a few new staff members this term, for the next few weeks we will feature one of our new team members.

### Mr Payne - Teacher

I have been fortunate enough to have had a range of jobs over my working life. However the ones that have had the most impact on me in a positive way have been teaching and working in hospitality. I have been teaching for about 27 years and have taught all age ranges including primary and at university. It has allowed me to indulge my passion for books and even led me to build a library in the garden of my house.

I love fantasy literature, films and hobbies and am proud to say that I am an avid D and D player. I have been playing in my current group for about 30 years and usually play a cleric. This means I get to help other people whilst smiting evil. I am a massive fan of JRR Tolkien and have even had my picture taken on the Brandywine Bridge in Hobbiton as a hobbit.

One of the things that I get the greatest pleasure from is seeing students succeed. This, for me, is not just about grades but in life skills too. So if you have need any help or just a chat about bits don't hesitate to come and find me in the Communication corridor at the top of the school.

Have a top weekend everyone.
