A Message from The Editor

Happy new year, and a very warm welcome back to the new school year!

Next week, Year 11 start to their PPE's (Pre Public Examinations). PPE's allow students to become familiar with the examination process, environment and the exam rules before they sit their GCSE's later in this academic year.

This term we also have Year 9's Options Information Evening, where parents, carers and students get the information they need to choose the GCSE's they wish to study in Year 10 and 11. Further information and the date for the Options Evening will be communicated as soon as it has been confirmed.

Upcoming dates 2024:

Monday 8th January	Year 11 PPE's begin
Monday 12th - Friday 16th February	Half term
Monday 19th February	Inset Day

Educational trips and visits

As you may already be aware, we are moving away from paper based consent forms for educational visits. We have many trips planned this year so you will begin to receive emails directly to your email address from 'Evolve'. The email will look like this:

Nut allergies in school.

At Warblington we have a number of students and staff that have a severe, life threatening allergy to peanuts and/or nuts. It is really important that we as a school community support the safety and wellbeing of our students and staff. Therefore we ask that no nut products are brought into school or taken on school trips.

If students are found to have nut products with them in school they will be taken from them and returned to them once they leave at the end of the day.

Thank you for your continued support and consideration with this matter.

Linguist Star of the Month

We are pleased to announce that our Communication Faculty (English and Modern Foreign Languages) is implementing a new reward system: The Linguist of the month. Each month students will be selected by their teachers to receive a certificate award according to 9 different linguistic skills. These students will also be awarded 10 house points. In addition, one student per year group will be selected as our Linguist Star of the month for their exceptional efforts.

They will receive a certificate, a reward and 20 house points.

Congratulations to our Linguist Stars of the month for December:
