Year 7 Textiles: Handmade cushions

I am so proud of the work the year 7s have done in Textiles this term. They have been creative with their designs and careful and precise using hand stitching and the sewing machines.

These cushions were made by: Tilly, Alfie, Robyn, Aroleja, Scarlet, Kian, Conan, Adriana, Amy, Olive & Jenson.

Basketball tournament Year 8

It was clear that the students enjoyed the first week of basketball as the word had spread and 9 students represented the team on this occasion. This meant that the group were split into two teams and allowed the students to play more games than before.

Team 1 faced Crookhorn in a friendly fixture and it was a competitive game! Alex scored a fantastic set shot and the game finished 2-2. Meanwhile, Team 2 faced Cowplain in a competitive fixture with Ollie and Tasha scoring for a 4-0 win!

Following the two opening fixtures, the teams swapped and faced the opposite sides. Scores were 4-2 to Cowplain thanks to Ros' basket and 8-2 to Crookhorn with Alex being the scorer once again.

Warblington then faced Oaklands and Purbrook in competitive fixtures. Despite great efforts from Harry and Alex, Oaklands scored a fantastic lay up in the final moments of the game to secure a 2-0 victory. At the same time, Team 2 faced Purbrook and were narrowly defeated 4-2 with Tasha scoring the only basket of the game.

The group were keen to play another game to make it 7 on this evening! They faced Oaklands A and Jasmine scored her first basket for the team.

It was great to see so many new faces and we hope to maintain the level of interest for basketball for the final fixtures of the year in 2 weeks time.

PE kit

The PE department are in desperate need of spare PE kit for students that forget their kit or who are unable to purchase their own at present. If students have outgrown their kit, and they are in a good condition, we would happily accept any donations.

When Year 11 students leave in the summer please remember us when getting rid of any PE kit!

Swap Shop

We also have the PE departments swap shop, when students have outgrown their kit, including trainers, they can bring them to PE and exchange them for kit that fits.

Mrs Griffin.

Nut allergies in school.

At Warblington we have a number of students and staff that have a severe, life threatening allergy to peanuts and/or nuts. It is really important that we as a school community support the safety and wellbeing of our students and staff. Therefore we ask that no nut products are brought into school or taken on school trips.

If students are found to have nut products with them in school they will be taken from them and returned to them once they leave at the end of the day.

Thank you for your continued support and consideration with this matter.
