## A Message from The Editor

We hope Year 7 & 8 enjoyed the Valentines Disco last half term, we certainly did! Thank you to everyone who attended and helped out at the Disco. A special shout out

goes to Miss Uguen for all the hard work she puts in to make the Discos so brilliant!

As we head (hopefully) in to Spring, we have lots of trips planned, kicking off with this weeks trip to Portsmouth University for some Year 8 students.

Consent for trips is now given via Evolve, so look out for email notifications if students are due on a trip. Please check your spam/junk folders.

## Upcoming dates

## Contacting school

As you will be aware from communications sent out before half term, we have been looking into the best, most efficient way for parents and carers to contact school to avoid messages being lost. We ask that all communications go through to the [admin@warblingtonschool.co.uk](mailto:admin@warblingtonschool.co.uk) email address. This means that messages can be directed to the relevant member of staff and allows staff to meet response times.

## Lost property

We have a large amount of lost property at reception, including glasses, jewellery and smartwatches, alongside the usual blazers and coats. If students have misplaced any of these items please come to reception where we can hopefully reunite them with their belongings!

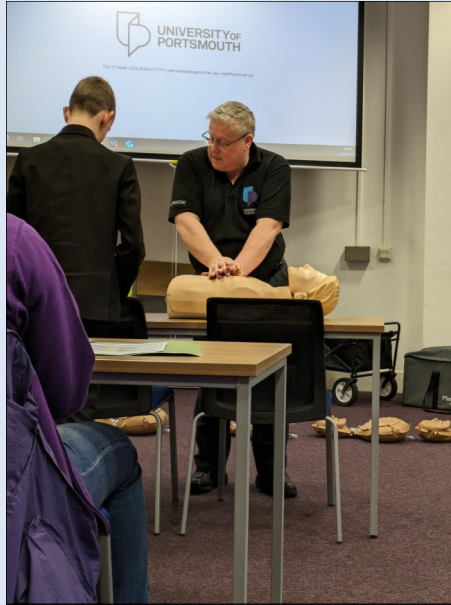

## Careers: University of Portsmouth

On Wednesday 21st February a group of Year 8 students had the opportunity to attend Portsmouth University for a Taster day.

The Students were given the chance to try out several subjects including : Animated America, Law & Human Rights and Restart a Heart.

Students were able to tour Portsmouth University and to ask questions about higher education. They all tried new things and learnt whether they would be interested in University and the taster sessions they tried.

The Paramedic science teacher delivering the 'Restart a heart' session was an ex Warblington Student, Rob Isherwood! Rob showed us how to correctly do CPR and use a defibrillator machine. Students then took part in the Law & Human rights activity, which was in a 'Nightingale Court room'!

# Educational Visit Consent.

**We are moving away from paper based consent forms for Educational Visits.**

**You will begin to receive emails direct to your inbox from "EVOLVE".**

**Open the email and complete the information.**

**Please check your Junk/Spam folders and adjust email settings for EVOLVE to safe sender.**
