A Message from The Editor

Another busy and exciting week we have had in school. Staff embraced World Book Day on Thursday, with lots of brilliant costumes!

Year 10 parents and carers had their virtual parents evening on Wednesday, we hope you found the meetings helpful. Year 7 & 8 have their meetings coming up, Year 8's is already live and available to book here: [SchoolCloud - Warblington school](#)

Information about Year 7's Parents will be sent out via Weduc next week.

Upcoming dates

Tuesday 12th March	Year 11 HSDC interviews
Wednesday 20th March	Year 8 Parents Evening (virtual)
Wednesday 27th March	Year 7 Parents Evening
Friday 29th March -	Easter holidays
Monday 15th April	Start of Summer term

Cross Country Championships

As a result of qualifying at the local district event, Ronnie, Stanley and Lenny represented South East Hampshire at the cross-country championships on Tuesday 5th March 2024.

Ronnie and Stanley competed in the under 13 events, running 2600m, whilst Lenny competed in the under 14 competition which totalled 2900m.

Each student showed outstanding resilience in difficult conditions against other strong competitors all finishing the race.

We are very proud of their effort, enthusiasm and conduct throughout the day and look forward to future events!

Year 10 Students: Work Experience

Year 10 students, have you organised your Work Experience placement yet?

Work Experience is from Monday 13th - Friday 24th May.

If you haven't and you need some advice or support, pop in to the Careers Office as soon as possible.

Come and speak to Mrs Fletcher or Mr Gellett who are always here to help and advise you.

World Book Day!

World Book Day was celebrated in style this Thursday with a full range of costumes and lessons inspired by books.

Some of the highlights were:

- The Humanities Faculty planned a lesson on banned books through history. It had a combined history, geography and RE focus. Students were really engaged in finding out why particular books had been banned.
- In Performing Arts we looked at The Hobbit! With Music learning to play 'I See Fire' By Ed Sheeran on the Ukulele, Piano or singing which is a key song from the Hobbit and Drama looking at The Hobbits going on an adventure through Middle Earth using Physical Theatre and Freeze Frames to depict their journey!
- Communications had a 'Cluedo-style' murder mystery feel with puzzles to crack and inferences to be made
- Maths was magically transformed into Hogwarts with themed with welcoming decorations, outfits and numeracy based Do Now activities!
- The Wizard of Oz crashed landed into PE this week, with Dorothy, Toto, Scarecrow, Tinman, Lion and the Wicked Witch taking over lessons!
- In Science, students went on a journey inspired by Tim Peake to explore if they are able to pass the entrance tests to the ESA Training Programme

World Book Day!

Students will bring home a £1 book token, courtesy of National Book Tokens. Students can choose one of the £1 books FREE with their £1 voucher.

Heathers Workshop

This week the Performing Arts Department had a very special visitor direct from the West End, May Tether. May's work includes Heathers: The Movie, Gypsy, West End Live and Heathers. May came in to work with a group of students, leading a workshop which was thoroughly enjoyed by all! A huge thank you goes out to May and we hope she will come and visit us again soon.

Promise Tiles

You may remember The Promise Tiles from last year that were raising fund for our kilns. The Promise Tiles have ALL now been fired in the kiln! Students whose parents put money into the Crowdfunder have been invited to come and find their tile and can glaze it on Mondays after school in Clay Club.

It would be really helpful if anyone who really wants their tile does let me know before I start glazing and giving them out to other sponsors.

Clay Club will open up to all students on Mondays after school.

Thank you for your support with The Promise Tiles.

Girls Football Fixture

Warblington faced a strong Felpham side on Wednesday who have reached the semi-final in their county competition.

This was a tough test for the Warblington girls; however they displayed excellent resilience and were brave in defence with great challenges from Jess, Amelia in particular.

Delora made some fantastic saves in the first half and showed good technique to keep hold of the ball on most occasions. Also, Delora created goal scoring opportunities from the back with a good range of distribution.

Ava, Poppy, Polly and Charlie looked to create as many opportunities as possible. Despite Warblington's best efforts, Felpham came out on top with a 7-0 victory!

Football fixtures feedback

We wanted to share with you some feedback we received from another school, following our home fixtures earlier this week.

"I just wanted to email to say thank you for hosting tonight's fixtures and for the effort that your girls went to, to still play their best football, despite playing for us. All the girls showed brilliant sportsmanship and manners throughout and despite the weather, they really enjoyed their games". - Crookhorn Teacher

We are always proud of the teams and the way they represent Warblington during their sport fixtures, both at home and away.

Year 8 HPV vaccination

Students in Year 8 are now due their HPV vaccination. This is free from the NHS and we have an upcoming session in school on 2nd May 2024.

Please click this link [HPV Vaccination Consent Form \(southernhealthimmunisations.co.uk\)](https://southernhealthimmunisations.co.uk) for the consent form and further information about the vaccine. Access to the consent forms will close at 10am two working days prior to the session.

School Code: **SH116475**

If you decide you do not wish your child to receive the vaccine, please submit the form and indicate that you do not consent. This will enable us to update your child's immunisation record.

All forms completed before 30th April 2024 will be entered into a prize draw to win a £100 voucher to spend at a local supermarket.

Year 7 & 8 Girls Football Fixtures

Warblington Red's

The girls went 1-0 up early in the game. Honey ball rolled her defender before slotting the ball past the goalkeeper. After some good play from Crookhorn, they found themselves 2-1 up with 2 minutes left. Lulu won the ball back with a great tackle before Marlie played a great pass through to J who scored by tapping the ball into the bottom corner to keep the game level. Just at the end, Tasha made a fantastic save to keep the game at 2-2 before the final whistle.

Result: 2-2

In their second game, after a good start in game 1, the girls started to get closer together and passing the ball between each other to move up the pitch. This resulted in an amazing team goal where every player touched the ball before Honey scored. A real demonstration of team work to take the lead. Bella showed great sportsmanship for the first 10 minutes, playing for Crookhorn to make the teams even. Goals then continued to follow from J and Honey with 2 more to round the game off. Still battling away, Marlie and Evelyn made some great tackles to make sure the clean sheet was kept.

Result: 4-0

Warblington Blue's

Warblington Blue's again represented the school impeccably well, displaying sportsmanship which was noted by the opposition and their teacher. Students rotated to support the opposition who did not have enough players to complete their team and even played with less players to ensure the match was played in a competitive manner.

In the first game against Crookhorn 1, Warblington were triumphant, being 5-1 winners with goals from Savannah, Brooke and 3 from Rosie. Marnie was also competitive in defence and Savannah demonstrated excellent leadership, even when on the opponent's team.

In their second game when playing Crookhorn 2, Warblington again performed to a high level with goals from Marnie, B, Savannah and Emilia, Warblington being 7-1 winners!

Despite difficult conditions, Warblington continued to combine with each other well to get past their opponents and create scoring opportunities.

Year 7 Survivors topic

Year 7 have been working on a Survivors topic.

We started with the Let's say we..... are on a plane that is crashing into the sea. We have 3 minutes to grab whatever we think will help us survive and put it in our backpacks and explain why it would be helpful.

In the next lesson we crashed and went off to explore the island to see where we should set up camp.

We designed our shelter and finally built it and the island, explaining why what we used and why we chose that spot.
