A Message from The Editor

Another busy week in school, but as you may notice most weeks at Warblington are busy!

Year 11 Catering students have been sitting their GCSE exams and we have had trips to Williams Racing HQ and Theatre trips to see Romeo and Juliet .

The Math Department put on some brilliant activities for Pi Day on Thursday, which included a treasure hunt (complete with treasure) and Mr Barnard's joke Competition.

Well done 10MT and 8PA for being the joint quickest with the correct answers for Mr Barnard's jokes!

STEM Williams Racing Visit

Monday was Grand Prix Day! 31 Year 9 students were hosted by Williams Racing for a day of E-Sports and STEM (Science, Technology Engineering and Maths).

They raced each other on state-of-the-art race simulators on 4 of the Grand Prix circuits, Qatar, Silverstone, Baku, and Monoco. This was followed by a tour of the Williams Heritage Centre looking at the development of F1 cars from the 1970's.

Finally finishing with a team challenge to design a Lego Mindstorm programmable autonomous vehicle and presentation.

It was a fun enjoyable day with E -sports taking pole position.

Nut allergies in school.

Over the past few weeks we have noticed more students with food items that contain nuts in school.

At Warblington we have a number of students and staff that have a severe, life threatening allergy to peanuts and/or nuts. It is really important that we as a school community support the safety and wellbeing of our students and staff. Therefore we ask that no nut products are brought into school or taken on school trips.

If students are found to have nut products with them in school, they will be taken from them and returned to them once they leave at the end of the day.

Thank you for your continued support and consideration with this matter.

Year 7 & 8 Girls Football

Warblington Blues

Warblington 3 - 0 Park

Warblington Blues faced Park first on Monday afternoon and started the game strongly with a brilliant finish into the top corner from Rosie. Brooke then scored another two goals with composed finishes in 1V1 situations against the goalkeeper.

It is important to note a strong performance from Megan, who joined the team for the first time this week.

Warblington Reds

Warblington 1 - 1 Park

Warblington 0 - 6 TPS

Warblington 0 - 2 Havant

Warblington Reds first game of the week was against Havant. It was a closely contested game with Tasha making some amazing saves early in the game.

Warblington put some really nice passes together high up the pitch but got caught twice on the break with limited numbers at the back. A close game that went Havant's way.

Second game was against Park. The girls took an early lead after a great strike from Bella into the top corner. The girls then went onto hit the post twice in the game and get loads of shots off at the Park goalkeeper. Marlie cleared a goal off the line and was the standout defender of the game. In the last seconds Park scored, levelling the game up right at the end. Probably the best team performance from the last couple of weeks from this team.

The final game was against an outstanding TPS team. Even with the tough result, the girls tried for the whole game, not giving up and never moaning at one another. They showed great team spirit to try and get the ball up the pitch. Tasha made some great saves and even taking one in the face off the post.

Thank you Morrisons!

We would like to say a huge thank you to Sue from Morrisons in Anchorage Park for the donation of chocolates and breakfast bars for our Year 11 students. We are always very grateful of donations!

Richard Stride visits Performing Arts

Last week, the Performing Arts Department had a visit from Star Wars actor Richard Stride!

Richard led an interactive workshop where students took part in some scripted work as well as learning and having a go at some stage combat!

Students also had a question and answer session, where they asked Richard all about the industry and of course, Star Wars!

A huge thank you to Richard for coming in and working with our students, it was a fantastic insight into the industry.

Music Tuition at Warblington

Would your child be interested in music tuition at school? We offer a range of instrumental lessons including drum, violin and singing lessons.

Please log into your Weduc account and fill in the Music Tuition form, (located in the forms sections) to register students interest.

Year 11 Boys Football Tournament

The year 11 boys played at the new John Jenkins Stadium on Wednesday evening in a 16 team tournament. The teams were split in to 2 groups with only the top team from each group making it through to the final.

Game 1 - Warblington 1-0 Crofton. Both teams struggled to maintain possession on what was a tight pitch. Both keepers were rarely tested with little shots making their way through but eventually good pressure from Hudson pressuring the goalkeeper resulted in a winning start for the boys.

Game 2 - Warblington 1-1 Brune Park. A top bins finish from Brune Park gave them an early lead but a stunning solo run from Henry, taking on 2 players and smashing it passed the keeper brought the game level. Andy in goal kept the game level, pulling off 5 top class saves definitely earning himself MOTM.

Game 3 - Warblington 0-2 Bohunt. The boys got their first taste of defeat against the overall tournament winners with 2 stunning goals, very little the keeper could do about it.

Game 4 - Warblington 1-0 Cams Hill. Back to winning ways with another goal from Henry Y with some smart link up play with Hudson and Morgan S.

Game 5 - Warblington 2-0 Portsmouth Academy. A rejuvenated Presley bagged himself a brace in this game with some nifty footwork in close quarters and slotting nicely past the keeper.

Game 6 - Warblington 3-2 TPS. TPS took an early lead in this goal fest with 2 mistakes from Captain Fantastic Hudson leading to an early 2 goal head start. An inspired double substitution from the gaffer saw Henry fire past the TPS goal keeper who wanted nothing to do with that shot, diving out of the way. Hudson aiming to make amends for his earlier errors bagged himself a goal after some smart defensive work by Cody. The closing seconds of the game saw some good inter play resulting in a 1v1 with the keeper that Hudson smartly put away. A 3 - 2 come back win, but the quote of the day coming from one of the exiting subs Tom " As soon as we come off Morgan we start scoring"

Game 7 - Warblington 0-0 Bay House. The game dubbed battle of the goalkeepers. This game had shots galore but nothing was getting past either goal keeper. Andy N with his trademark tip over the bar, round the post, save with his feet, nothing was beating him this game. Likewise the Bay House keeper was being peppered with shots from all angles, with Henry seemingly taking a dislike to him with thunderous shots from just yards away. The keeper was fully committed to stopping anything that came his way blocking shots with his hands, his face, his stomach and his gentlemen region. The epitome of "taking one for the team"

The boys finished the tournament on 14 points and can be proud of how they conducted themselves both on and off the pitch. A top effort and a great evening!
