## Transition Team

For the past few weeks, Anna, Scarlett, Oliver and Deniz have been part of my Transition Team.

We have been visiting our local feeder schools, delivering assemblies to Year 5 students and talking with them about life at Warblington and the transition process from primary to secondary.

Our Warblington Transition Team have clearly communicated key information to the primary students and have been a huge credit to Warblington.

Thank you!

*Mrs Griffin*

## GCSE Geography Field Work

As part of the GCSE compulsory fieldwork, Year 10 visited Hayling Island.

Students undertook a range of fieldwork techniques, including beach profiling, sediment size sampling and field sketching.

This was a valuable opportunity that will help them in their paper 3 exam in Year 11.
