Warblington
School

Growing minds, successful futures

September 2024

Dear Parents/Carers,

Tutor Parents evening: Tuesday 17th September

The first opportunity of the year for you to come into school to meet with your child's tutor and receive information regarding the forthcoming year is quickly approaching.

The booking system for appointments will be through School Cloud. **This is going live at 15:00 on Wednesday 11th September.** Please log into School Cloud to book appointments: [SchoolCloud - Warblington school](#). This link is also available via the School website.

You will have the option to book an appointment with your child's tutor, but there will also be a range of other specialist staff on hand during the evening (SENDSCO, IT Support, Health & Wellbeing, Pastoral Support) and our local Post-16 providers will also be present, with information about the courses that they offer, particularly for our Key Stage 4 students but also relevant for Year 9 who will be making their GCSE options later in the year.

You will also receive a booklet that contains lots of useful information about what to expect in the year ahead for your child, specific to the year group that they have just entered.

The evening will take place in two venues, the main hall and the sports hall. Upon arrival at the front of the school, we will guide you to the relevant venue dependent upon the House that your child is in.

We look forward to welcoming as many of you as possible to the evening

Kind regards,

Mr M Godfrey

Associate Assistant Headteacher
