Rugby Festival

Earlier this week a group of students from Years 7, 8 and 9 had the opportunity to attend a Rugby festival hosted by Southampton Trojans. These students have engaged well in the unit of work when delivered within the PE curriculum and have shown dedication to attend extra-curricular opportunities ahead of the event.

A special mention to Kaelyn who participated in the year 7 event on her own, showing courage and self-confidence. Kaelyn joined another local school and competed with them throughout the morning, demonstrating a good understanding and effective problem solving against experienced students.

The rest of the group competed together and demonstrated excellent respect and team work. The students were keen to compete with full contact, showing controlled aggression and secure understanding. In the first fixture against St George School, Stephanie was successful in scoring a try on two occasions as a result of excellent agility and evasive skills. Bella organised the group with effective leadership skills and demonstrated excellent passing and running with the ball on multiple occasions. In the second fixture against Ringwood, Tilly, Morrigan and Ella all scored a try. Students were confident both in and out of possession and played with big smiles, congratulating team mates when they were successful! In the final game of the afternoon, the team confidently competed against Priory with Evelyn scoring two and Stephanie scoring once again.

We look forward to more opportunities for students to participate in compete in future!

In The Spotlight: Sports Council

Tyler, Year 7

Tyler enjoys playing football and is really excited to develop his skills in his football PE lessons this half term. He regularly attends extra-curricular activities within school, and as a result has represented the school football team in every fixture so far!

Tyler is a confident player that enjoys performing step-overs when facing opponents and has scored 2 goals so far in 4 games! Outside of school, he plays on Saturdays for a local football team and shows dedication to both training and games. A top goal scorer for his team, he enjoys celebrating with his team mates after scoring.

Tyler was keen to join the Sports Council this year because he enjoys sports and being active and would like to support his peers in joining clubs and teams. He always has a football at his feet and would love for his friends and teachers to talk to him about his passion and join in when they can! Tyler has been captain of the team and has shown excellent leadership skills to support others!

We look forward to Tyler inspiring others within his role this year!

Year 8 Netball Fixtures

The Year 8 Netball Team consists of students who represented the Warblington last year, as well as students new to the team, who have been inspired through the PE curriculum.

Match 1 vs Hayling College

Their first game of the new season was against Hayling.

Adriana, Daisy and Livvy demonstrated some excellent accurate passes to support the team building possession.

Warblington were 5-1 winners with Beth scoring all 5 and being nominated player of the match by the opposition!

Match 2 vs The Petersfield School (TPS)

The second game was a tough test against a strong TPS side and despite not being successful in this fixture, Beth managed to score 2 and again be nominated player of the game.

Ella showed confidence when in an attacking position, whilst Imogen and Adriana demonstrated excellent resilience and intercepted effectively on multiple occasions to limit the oppositions attack.

Match 3 vs Cowplain School

In the final game, Warblington narrowly lost to Cowplain where the game finish 8-6. Beth again showed composure when shooting all 6.

The defensive players showed great effort when marking their opponents, with Adriana being nominated as player of the match on this occasion.

Week 2 - vs Havant Academy

The second game of the season was a high scoring affair with 14 goals being scored in normal time and a further 9 scored from the spot. The squad were high with anticipation due to friendships running between the teams. As the whistle went Warblington struck first scoring within the first minute of the game.

The game developed and was end to end with both teams seemingly taking turns to score. Warblington had the advantage at the half with the score sitting at 4-3. The second half continued at the pace of the first, with goals flying in, we reached the final 2 minutes at 6-6. In the dying minutes Harrison scored putting the home team ahead, seemingly winning the game. In typical dramatic fashion, Havant levelled with the last kick of the game taking it to a penalty shootout.

Havant were the more composed team from the spot, scoring all five chances and winning the game.

The boys did themselves proud and showed high levels of maturity and dignity in their loss, shaking hands with the opposing team and congratulating them on how they had played.

A special mention to those who had their first experience of an 11 aside match: Harley, Jude and Mathew.

Week 3 - vs The Petersfield School

The Petersfield School (TPS) visited Warblington for the third fixture of the season in what proved to be a close match. Following last weeks 14 goal thriller, the boys were aiming to tighten things up at the back.

The game started slow with chances going the way of both teams but coming to nothing. TPS opened the scoring mid-way through the half with a brilliant run from their forward dancing past three players, only to have the glory taken from him by his strike partner.

Warblington responded well, taking hold of the game, with a flurry of chances coming in quick succession. Harrison managed to hit both posts and slot narrowly wide. The goal finally came from a looping effort, bringing the scores level.

The second half saw much of the same thing, chances coming at going for both teams. A mistake at the back allowed Warblington to take the lead heading into the final minutes. The boys dug in well and tried to hang on for the win, Jude's sensational goal line clearance being the highlight of the match. Nevertheless, misfortune struck and with the last touch of the ball one of our own defenders headed the ball over the keeper's hands to tie the game.

A brilliant game with some excellent football throughout.

Year 7 Netball fixtures

The Year 7 team participated in their fixture netball fixtures of the season following lots of students regularly attending netball club to develop their knowledge, understanding and skill level.

This was clearly evident in their first game with a confident display against TPS B. The final score was 4-1 to Warblington with Sydney scoring 3 and Diego 1 as a result of calm and accurate shooting! The team passed the ball down the court confidently with good communication and range of passes executed based on the positioning of the opponents. Diego was nominated the player of the game by the opponents.

In the second fixture, Warblington were narrowly defeated 4-3 against Crookhorn. I was immensely proud of Daisy and Skylar who supported the opponents due to them not having a full team. This demonstrates excellent sportsmanship. In addition to this, Flo and Skylar demonstrated effective defending skills with Robyn, Ava and Daisy passing with good accuracy and speed. Olivia, Ava and Sydney were the scorers in this fixture and Mia was nominated player of the match by the opposition. This was an excellent start on the courts, yet also off when substitutes and supporters chanted and cheered throughout the fixtures to motivate teams around them!

Christmas Fair

Dear All

On Saturday 30 November the school will be holding its annual Christmas Craft Fair with all profits going to the Year 11 Prom.

The students will be holding a bottle tombola and we are looking for donations of all types of bottles. They need to be in date and unopened and either in a plastic or glass bottle.

So if you have any shampoo, handwash, bottles of pop, bottles of wine, washing up liquid, hot chilli sauce! etc. that you would like to donate please leave them at school Reception.

We will also be holding a Christmas Raffle and if you or you know of anyone who would like to donate that would be greatly appreciated.

Finally – the week prior to the Fair we will be asking for donations of cakes for the Café which will be run by Kim and Year 11 students.

Many thanks for your support

10 Top Tips for Parents and Educators

SUPPORTING CHILDREN TO MANAGE CONFLICT EFFECTIVELY

Disagreement is a natural part of human interaction. This can seem particularly true when dealing with the sensitive issues that arise for secondary-aged pupils. This guide brings you 10 top tips which can help prevent conflicts arising or mitigate their impacts when they do.

1 INSPIRE RESPONSIBILITY

The best approaches to conflict resolution are restorative. This means that rather than adults imposing their own solutions on children who have had a disagreement, they should work with them. Allowing them to handle it can feel empowering to young people and will hopefully teach them to manage their own disputes as they move towards adult life.

2 ACTIVELY LISTEN

Remember to give every child the opportunity to voice their opinion, regardless of their age, stage of development, special educational needs, or other individual requirements. This can be done using a variety of different communication methods. For example, some children find it easier to express how they're feeling using pictures and drawings, while some prefer to write their ideas down.

3 BE CURIOUS

Demonstrating how to approach conflicts with a mature and empathetic mindset can set a good example to children, which can prove a useful skill for them later in life. Model this by asking inquisitive-yet-respectful questions about the issue at hand. Really try to understand where all parties are coming from, and share information between them when and where appropriate. This should encourage young people to mirror your behaviour, teaching them to be curious about the other sides of a conflict, and thus being more willing to hear them out.

4 PROMOTE DIFFERENCES

Children and young people may come from a range of different backgrounds and cultures or have protected characteristics which may cause them to see things from various angles. Having a school and community culture which celebrates and embraces diversity in all things – including diversity of opinion – means people are more likely to feel heard and understood.

5 BE SUPPORTIVE

Discussions may be sensitive or, in some cases, even trigger negative emotions. Pupils may have mixed feelings about the issue at hand. They could be nervous or anxious before even coming to the table to talk about it. Try and create a space where all parties feel safe, welcome and comfortable. Allow breaks and time-outs if the conversation gets heated, to prevent anyone from saying something they might later regret.

6 MENTALLY PREPARE

Think of how you can approach the conflict in a calm and regulated manner. Consider taking some extra time to prepare beforehand and finding somewhere quiet to relax. Even if you're not directly involved with the conflict, mediating can be a stressful experience in its own right. Make sure you're hydrated, fed and comfortable, and do the same for the young people involved. These may seem like insignificant factors, but it's important to remember that physical discomfort can trigger dysregulation, which can make it much harder to have a calm, productive conversation.

7 GET YOUR FACTS STRAIGHT

Make sure you have all the facts, figures and timelines of the situation prior to the discussion. This should be done as objectively as possible with the aim of resolving the ongoing issue. You may want to risk assess any problems that may arise and look for possible solutions during your preparation time.

8 STICK TO THE POINT

Make the reason for, and purpose of, any meetings or communications clear prior to setting them up. Provide an agenda. Act as a neutral chairperson who can keep all parties on track. Make sure everyone has a chance to air their concerns about the issue being discussed and try to avoid talking about unrelated incidents. Close off with some action points, detailing what everyone can do to resolve the conflict.

9 BE SOLUTION FOCUSED

It's often said that the art of diplomacy is about giving others ladders to climb down. This means the main aim of any meeting or correspondence should be finding mutually acceptable and amicable solutions. Parents, carers, teachers and pupils should be aware there may need to be a compromise for the common good – and, most importantly, the good of the children you're supporting.

10 DON'T IGNORE OR AVOID CONFLICT

No one benefits from allowing concerns and grievances to fester, as this can lead to further division and mistrust, and ultimately doesn't help the children involved. Use our tips to open meaningful lines of communication. These should help you find a suitable resolution and minimise the number of conflicts you're faced with mediating overall.
