

Arriving to school – The School Day

The school day starts at 08:30 and finishes at 3pm. This equates to 32.5 hours per week in school, aligning with Government statutory guidance

We operate a **split break system** to allow as many students through the canteen as possible and to ensure enough space around site to enjoy breaktimes comfortably. This is particularly important during periods of wet weather!

STAR Time is our designated time to Sit Together and Read (STAR). It is here where students may have reading/revision interventions as this avoids missing subject lesson time. On a Friday during this time, students meet their tutors to enable a check out time and to enable Ready to Learn celebrations and Tutor activities such as a House Quiz
